

Member Spotlight: Johny Motran, DPM, FASPS

Johny Motran, DPM, FASPS

Where do you practice?

Gaithersburg and Hyattsville, Maryland

What is something new you would like to see ASPS develop or offer to its members?

Regular surgical webinars and surgical coding webinars.

What is your favorite thing about being a podiatrist?

The opportunities we have to help others with foot and ankle ailments. We often change lives for the better and make a profound impact in other's lives. Their happiness and gratitude and our satisfaction in doing a good job makes every day as a Podiatric Surgeon a highly rewarding experience for me.

What made you decide to join ASPS?

I joined ASPS to keep up to date with new procedures and to see other perspectives on surgical procedures. I am always looking for new procedures or a new way of doing things to achieve the best results for my patients.

What is an example of a rewarding experience you have had as a surgeon?

A particular case sticks out a few years ago. I had a young lady with a severe bunion and flat foot deformity who could not work out and could not stand or walk for long periods of time due to her condition. She was not enjoying life due to her foot problems. We proceeded with flatfoot reconstruction and bunionectomy with excellent results. After recovering she was able to run again and enjoy life again. She has thanked me with letters and continued referrals to this day.

Dr. Motran is a highly trained podiatric surgeon who is dedicated to providing quality compassionate care to his patients and provides the individualized attention to effectively diagnose and treat foot and ankle problems. Dr. Motran graduated from Temple University School of Podiatric Medicine and completed his residency at Foot & Ankle Surgery, Baltimore Veterans Affairs Medical Center and Wound Care, Baltimore Veterans Affairs Medical Center. He is board certified in foot surgery by the American Board of Foot and Ankle Surgeons.

With a membership total of 1,000+, the ASPS Member Spotlight serves as an opportunity to highlight and connect the membership in an effort to promote and advocate networking within both the organization and profession. Interested in being featured in the ASPS Member Spotlight? Please contact ASPS Administrator Sara Chergosky at skchergosky@aspsmembers.org.

Be sure to check the ASPS website for details on the 5th Annual ASPS Surgical Conference and upcoming events!
