

Science & Management Symposium

Resident's Case Presentations

Florida Podiatric Medical Association (FPMA) is pleased to announce the 15th Annual Resident's Forum at the Science & Management Symposium (SAM) on Saturday, January 12th from 7:00 – 9:45 AM at Disney Coronado Springs Resort in Lake Buena Vista, Florida. The Southeast Region of ACFAS and the American Society of Podiatric Surgeons (ASPS) are official sponsors of this program.

Similar to our previous forums, we are asking for “interesting cases” to be presented in a PowerPoint format with a 7 ½ minute time limit. We will award the top five presenters with a check for \$500 (1st place), \$400 (2nd place), \$300 (3rd place), \$200 (4th place) or \$100 (5th place). The top 3 winners will have be asked to present to the SAM general assembly on Saturday, January 12th at 3:30 PM.

Presentations will be graded based on:

- a) quality of the oral presentation
- b) rationale for procedure/fixation employed
- c) lessons learned from the success/failure of the surgery
- d) strict adherence to the 7 ½ minute time limit

There is a limit of three residents per program to allow others an opportunity. Please e-mail me by December 28 at knelson@fpma.com with your resident's name(s) and email(s). Residents must be either FPMA/APMA Members to submit.

We thank you in advance for notifying your submissions and look forward to another very successful Resident's Forum!
